Letter of Recommendation Jon Watts

To Whom It May Concern:

Jon Watts, singer, musician, and spoken word poet, visited Westtown School and shared his powerful ministry during Upper School Meeting for Worship. Friend Jon connected well with students from both Quaker and other backgrounds. His vibrant spoken word messages touched on themes of environmental stewardship, peace, equality, justice and other Quaker testimonies with an authenticity and immediacy that expanded the vocabulary of worship for all of us. His message has resonated with us long after his visit.

Jon is sincere, energetic, and inspirational Friend and performer. I recommend him to Friends Schools, Meetings with enthusiasm.

Sincerely,

John W. Baird
Head of School
